WEDDING AND SPECIAL EVENT ENTERTAINMENT

Do you want your guests to have **FUN**, be **RELAXED** and **ENJOY** themselves?
Do you want your event to be **MEMORABLE** for the right reasons?

If you said yes to either of these, then your entertainment is going to be a crucial factor to achieving these results.

Only a few DJ's have the skills, experience and service to operate as an Entertainment Director and MC, others may be considered just a human juke box.

When you hire me, you don't just get a DJ, you get someone that cares about the success of your event as much as you do. My job is to ensure everything runs smoothly, your guests are taken care of and you can relax and enjoy the experience.

100% Money Back Satisfaction Guarantee.

If you are not satisfied with your event due to the DJ, you are entitled to a full or partial refund of the balance, as determined by you. This refund is not to exceed 100% of the fees for this service.

One of the first things I suggest we do is get together...

I need to find out more about you and the experience you are hoping to create, and you need to feel comfortable that I can deliver that for you. I will listen to your requests and ensure they are integrated into the final programme. Having spent over 20 years in the mobile DJ industry, I've just about seen it all. I can guide you in what I know works and what has been, shall we say, 'less than successful'...

With the satisfaction guarantee you know I have confidence in my ability and you can be assured I will be doing everything I can to make your event a success.

Some of the extra services I offer include advice and assistance with your planning, pre-recorded audio messages, DVD and PowerPoint presentations, communication and coordination with other chosen event professionals and the provision of a full event schedule to ensure your day runs smoothly.

Give me a call me now, I'd love to hear from you.
